

# Cost Containment Vendors

HM Insurance Group (HM) works to protect businesses from the financial risk associated with health care costs. The company is a recognized leader in Employer Stop Loss and delivers assumed Accident and Health reinsurance solutions and Provider Excess insurance through HM Specialty. To assist our clients in better managing claim costs, HM deploys a number of tactics in the selection of vendors for cost containment efforts, including the use of a testing period and performance tracking. Based on the results of our evaluations, we offer our clients access to vendors who can assist with helping to mitigate exposure on catastrophic, high-dollar claims in the following categories.
