FRAUD NOTICE *(Please read carefully)*

In Arkansas, any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

APPLICANT UNDERSTANDS AND AGREES THAT

The stop loss insurance requested and requested effective date must be approved by HM Life Insurance Company as under our current rules and practices. All options and special requests are subject to Home Office approval. No insurance agent or broker has authority to guarantee acceptability of requested insurance coverage.

Our approval is subject to receipt of Disclosure, if required, the first month's premium, final census, Claim Information, and any other information requested in connection with this application. Failure to do so will result in approval being denied or delayed until a later date.

Receipt of a premium and its deposit in connection with the Application shall not constitute an acceptance of liability. In the event that HM Life Insurance Company, or our authorized agent, disapproves this Application, its sole obligation shall be to refund such sum to the Applicant.

Coverage will not be in effect until notified in writing by the Home Office. Do not cancel prior coverage until so notified.

Final premium rates will be determined on the basis of Disclosure, if required, Claim Information and the actual composition of persons covered by the underlying employee benefit plan on the requested effective date. Should subsequent information become known which, if known as of the date specified by HM Life Insurance Company, or our authorized agent, would have affected the rates, deductibles, terms or conditions for coverage, we will have the right to revise the rates, deductibles, terms or conditions, by providing written notice to the Applicant. The Policy, if issued, may be void, if whether before or after a claim or loss, any material fact or circumstance was concealed or misrepresented on behalf of the Applicant, or if the Applicant or its Agent, committed fraud.

A signed and dated summary plan document describing the underlying employee medical plan must be submitted within [60] days of the Requested Effective Date. If the description of the benefits or plan provisions differs from what was initially utilized to underwrite the risk, the premium rates and aggregate retention factors may be subject to re-rating, retro-active to the requested effective date.

The stop loss insurance which is the subject of this Application is a reimbursement contract, and the Applicant must first pay claims and make funds available to pay claims as they become payable before submitting them for reimbursement. Oral statements not expressly incorporated herein are not part of this Application.

Issuance of the Policy is in reliance of the data, including Disclosure, census and Claim Information, submitted to us, and payment of the first month's premium; subsequent premiums are due no later than the first day of each calendar month during the Plan Year.

I represent that the statements contained in this application are true and complete to the best of my knowledge and belief, and I understand that they form the basis for HM Life Insurance Company's approval of the requested stop loss insurance.

Employers/plan sponsors of self-funded health plans should not consider the purchase of stop loss coverage and/or excess loss coverage as complete protection from all liability created by the self-funded health plan. Employers/plan sponsors should be aware that the failure to comply with the terms of the stop loss policy and/or the provisions in the self-funded health plan may cause the employer/plan sponsor to incur liabilities under the health plan. For instance, if medical claims are paid on an ineligible individual, the stop loss carrier may deny the reimbursement under the stop loss policy. In addition, the Arkansas Life and Health Insurance Guaranty Association does not cover claims reimbursable under a stop loss policy.
